

ANNUAL REPORT

2020/2021

**Yawan Kissan Library for Information and
Broadcasting Resource Authority (YK-LIBRA)**

About YK-LIBRA

Yawan Kissan Library for Information & Broadcasting Resource Authority (YK-LIBRA) is a not-for-profit and non-political social Organization. It is established on 26th April 1992 by the General Meeting at Anlabereni, PS- Tumusingha, Dhenkanal attended by many elite persons from different villages from Dhenkanal District. This NGO was formed according to the willingness and interest of the community people in a view to deal with the existing socio-economic problems in different villages by means of good understanding; sharing the problems with each other and to find out the best way of solving the problems through free discussion and people participation in the decision-making process. After working for few years, YK-LIBRA expanded its operation to all over Odisha and other states. The focused working areas concentrated on Agriculture, Livestock, Fishery, Poultry, Climate Resilient Agriculture, Zero Budget Agriculture, Micro Enterprise and Institutional Developments like FPOs, SHGs, Farmers Clubs, Water User Groups (WUGs), FPOs, SHG Federation; and Sustainable Development of rural poor in Odisha, Bihar, Tripura, Uttar Pradesh, West Bengal and Nagaland.

YK-LIBRA provides end to end Services and Solutions, directly as well on partnership basis, that caters to agriculture projects in various scope, size and resources addressing issues of livelihood Development; Farm Productivity Optimization, Climate Resilient Production System (Agriculture, Horticulture, Fisheries, Goatery, Poultry, Dairy) and Micro-enterprise development in non-farm sector. YK-LIBRA implements innovative agriculture projects for Governments, Multi-Lateral Funding Agencies and CSR of Corporates, cutting across diverse crops and climate zones.

YK-LIBRA at glance

Vision

To visualize a society with sustained livelihoods, socio-economically self-reliant and conscious about healthy environment, basic rights and human dignity.

- Protection and preservation of culture, language and tradition of tribal indigenous people.
- To seek and receive subscriptions, donations and other supports from persons, institutions or Organizations both from home and abroad and use the same for the purposes to fulfil the mission of the Organization.

Organization Organogram

Focus of YK-LIBRA

From the secretary's Desk.....

The journey for social development by YK-LIBRA started in the year 1992 to bring sustainable smile on the faces of deprived people. Since the days of inception, we have been concentrating our efforts on bringing out radical changes in developmental approach of the society. It all began with a group of just few committed people, but as time passed more and more enthusiastic and committed people came and joined us to strive for changes.

YK-LIBRA actions for service to humanity in a multidimensional way, and is moving ahead to bring a visible and sustained change in the society. YK-LIBRA family has worked hard keeping in mind our vision, mission and goal to bring changes that are acceptable and sustainable.

The various sectional areas of work that YK-LIBRA has undertaken till now involves livelihood, micro-enterprise promotion, food security, institution development, water and sanitation, women empowerment, financial inclusion, integrated fish farming, and disaster preparedness and management & skill training initiatives etc.

We work in partnership with community, village and cluster level organizations, community-based organizations, partners, associates, government, including likeminded NGOs, who have continually support to bring a positive change in the society and helped in strengthening the community by devising sustainable techniques of development. Our journey has been possible because of many people who judiciously joined their hands and walked with to bring tangible change in the life of vulnerable communities.

With all the best wishes,

Jambeswar Biswal
Secretary, YK-LIBRA

Activities undertaken during this year

Livelihood

All the activities which are involved in solving the basic needs of human being for their survival comes under livelihood activities.

Active initiative has been taken by the organization with judicious support **NABARD** to reach the vulnerable communities and involve them with many livelihoods' income generating activities

***In 2 number of States
and 3 number districts
touching 4,500 HHs;
many need-based
livelihood programs
are made in the
intervention areas like
mushroom, fisheries
and back yard poultry.***

Governance & Institutional Development Services

In order to achieve our goal and objectives dynamic professionals are involved for better outcome of our activities.

In 5 number of States and 8 number districts touching 4,800 HHs; Institutional Development Services are undertaken.

12 dysfunctional SHGs were streamlined and made functional.
40 number Formation of Farmer Producer Organizations (FPOs) & 8 number of Farmer Clubs (FCs) were formed.

4 number of SHG Federation were made.

Agricultural Development Services

To end the extreme poverty; agricultural development services acts as the most powerful tool to address healthy & sustainable development.

In 5 number of states covering 8 number of districts and 4800 number of HHs agricultural development work was implemented.

System of Rice Intensification, Line transplanting of Paddy for productivity Enhancement; Machine Transplanter to tackle labor problem are some of major interventions.

Organic Farming and mushroom cultivation were major activities made this year. Scientific Fisheries and Bio-floc are promoted providing training and linking the farmers with the line departments.

Marketing Support Services

This year the implementing team made their efforts to joint the knots of marketing services like marketing plans with development process to make financial products and services accessible and affordable to all individuals

20 number of finished products from 15 FPOs were made accessible in affordable price in 5 number of states.

Financial Inclusion Services

9 FPOs and 5 SHGs were linked with banks to fulfill the credit requirement of these institutions. Besides, NBFCs were introduced with FPOs to cater the short-term credit requirement.

Natural Resource Management (including organic practices and renewable energy)

Realizing the fact that without natural resource, the existence of human being will be difficult. If proper management of natural resources will not be addressed neither we can breathe clean air nor we will get clean water and plants to eat and drink.

Initiative was taken by the organization for proper management of land, water soil, plants and animals for better quality of life. This year in 3 number blocks covering 450 HHs were covered under organic practices. Progressive work was also made on renewable energy like solar energy.

Preventive health & nutrition (including WASH)

This year, active initiative was taken to address better nutrition, water sanitation and hygiene in our implementing areas through WASH program.

In 2 number of States in 3 number of Districts covering 12 number of Blocks and 3,000 number of HHs under WASH program was commenced to address the health aspects. Low-cost toilets were introduced and people were sensitized to use toilets.

Women, Rights & Entitlement

In order to free women from domestic violence, YK-LIBRA since its inception has promoted SHGs and facilitated various training, business plan development to women SHGs on vegetable cultivation, goat rearing and poultry etc. Through various need-based program focus has been made to empower women and turn them as successful entrepreneurs in various sustainable livelihood income generating activities so that they can be empowered.

Disaster Management and Climate change

This initiative is to provide opportunities for the local community to evaluate their own situation based on their own experiences initially. During the planning process, the local communities became part of creating plans and decisions and also prepared how to come into action during disaster time.

Organization has also addressed climate change effect through various need-based program. Apart from that, Organization tries to rehabilitate the degraded land to increase the crop intensity.

Action Research & Studies

Action Research and Studies are conducted to make necessary customization of the methodology as per the requirement of the local situation.

Action research is conducted in back yard poultry to develop local specific package of practices. Similarly, a number of interventions are incorporated while development of package of practices for SRI, Mushroom Production, Organic Farming etc.

Social Awareness

YK-LIBRA with the support of district administration of various operation areas, has been engaged in social awareness program and one of the key interventions during COVID-19. Uses of mask, sanitization of hands, social distancing etc were ensured at community level.

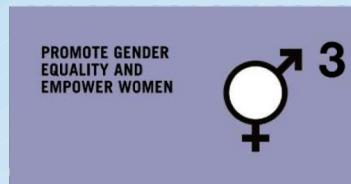

Steps taken to bridge the information gap about the rights and entitlement that is there for the people. Need-based sensitization meetings in village level were also duly made.

National Environment Awareness Campaign under Ministry of Environment & Forests, Government of India was the highlighted activity made this year in Odisha covering 500 People.
