

# Annual Report

2022-23

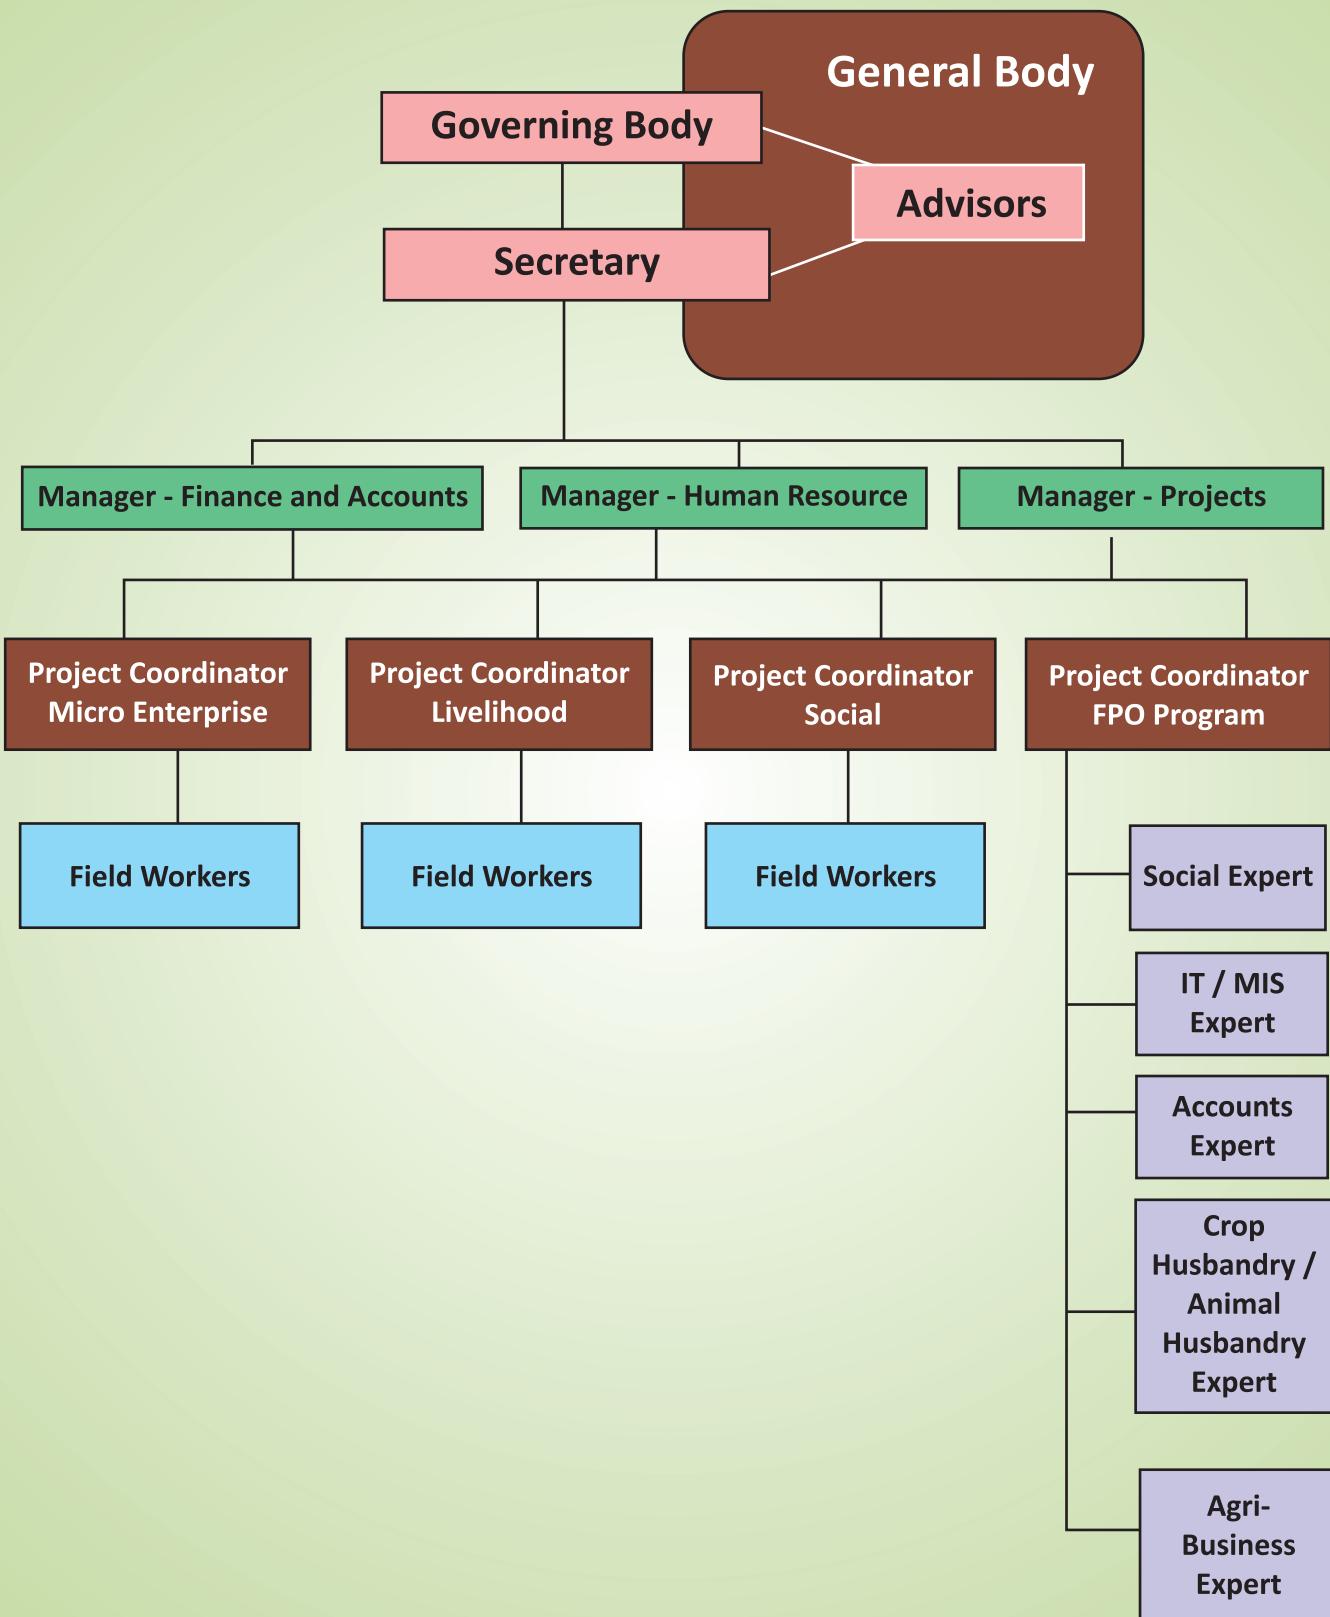

## About Us.....

Yawan Kissan Library for Information & Broadcasting Resource Authority (YK-LIBRA) is a not-for-profit and non-political social Organization. It is established on 26<sup>th</sup> April, 1992 by the General Meeting at Anlabereni, PS-Tumusingha, Dhenkanal district, Odisha attended by many elite persons from different villages from Dhenkanal District. This NGO was formed according to the willingness and interest of the community people in a view to deal with the existing socio-economic problems in different villages by means of good understanding; sharing the problems with each other and to find out the best way of solving the problems through free discussion and people participation in the decision-making process. After working for few years, YK-LIBRA expanded its operation to all over Odisha and other States. The focused working areas concentrated on Agriculture, Livestock, Fishery, Poultry, Climate Resilient Agriculture, Zero Budget Agriculture, Micro Enterprise and Institutional Developments like FPOs, SHGs, Farmers Clubs, Water User Groups (WUGs), FPOs, SHG Federation; and Sustainable Development of rural poor in Odisha, Bihar, Tripura, Uttar Pradesh, West Bengal and Nagaland. YK-LIBRA provides end to end Services and Solutions, directly as well on partnership basis, that caters to agriculture projects in various scope, size and resources addressing issues of livelihood Development; Farm Productivity Optimization, Climate Resilient Production System (Agriculture, Horticulture, Fisheries, Goatery, Poultry, Dairy) and Micro-enterprise development in non-farm sector. YK-LIBRA implements innovative agriculture projects for Governments, Multi-Lateral Funding Agencies and CSR of Corporates, cutting across diverse crops and climate zones.

Organization is facilitating also for the FPOs to onboard into digital market platform through “**Open Network for Digital Commerce (ONDC)**”. Organization is making a huge business scope for FPOs with the access of large buyers and customer base. YK-LIBRA has rich experience of formation and successful functioning of 11 number of Farmer Producer Organizations (FPOs) in different states empaneled by SFAC and NAFED. Besides YK-LIBRA is providing extension & value chain development support to 23 number of FPOs and 25 SHGs and its members in various commodities Including High value crops, Banana, Potato, Backyard Poultry, Goetry, Inland fisheries and also in Non-Farm Sector including handicraft clusters.

# Organization Organogram

# Vision

YK-LIBRA visualized a society with sustained livelihoods, socio-economically self-reliant society who are conscious about healthy environment, basic rights and human dignity.

# Mission

To create 5 lakh sustainable livelihoods through community institutions along with value chain services in agriculture, agri-allied and non-farm sectors with focusing on self-empowerment, eco-friendly cultural practices and safety health measures by the year 2027.

## Core values

- ☞ Ensure **cost effective community-based affordable and easy access health services** especially for women and children (Primary health, antenatal and postnatal).
- ☞ Protection and preservation of culture, language and tradition of tribal indigenous people.
- ☞ To seek and receive subscriptions, donations and other supports from persons, institutions or Organizations both from home and abroad and use the same for the purposes to fulfil the mission of the Organization.

## Strategies

## From the secretary's Desk.....

On behalf of the Board of YK-LIBRA and its staffs, it is my privilege to present this annual report to you. It is a special report, as 2022-23 marks thirty-one years of its existence. This year was a great year of learning and reflection, where we made decisions based not on the targets, we had to achieve but on doing things 'better'; by spending more time counselling children in schools; by putting our 'foot in the door' to the needy vulnerable people. This year we seriously delivered our services that was more qualitative. We reached out to over **26,150 Household, 695 Villages, 80 Blocks, 25 Districts and 7 States** with our services. *We also took some time to step back in the last quarter to reflect and evaluate where, as an organization we stand.*

YK-LIBRA in a positive gear is journeying to address the issues on governance and livelihood, child rights and women empowerment, health and education and environment conservations. The year was full of excitement, enthusiasm, and togetherness yet challenging and definitely with shared understanding. I take this opportunity to thank each of my colleagues starting from the community organizer to the program manager, members and well-wishers of YK-LIBRA for their unconditional support, encouragement & co-operation. I look forward to the same passion to continue in coming days in achieving our mission. We also recognized the difficulty in maintaining the sanctity. Each year teaches YK-LIBRA new things and provides new experiences by giving the organization a better understanding of the ground reality of people's attitudes to pave a better path.

This strength comes from having respect and empathy for children and vulnerable community in the choices they make for themselves. In addition to that passionate implementing team have given their best to work despite facing hurdles in so many grey areas.

Organization is also learning and trying to find ways in which we can support each other's journey in better way. We feel supported in this learning by all our funders, supporters, well-wishers and mentors who continue to motivate us and lift us along on this expedition. I am very much pleased to share our work in this report for the year 2022-23, our successes and our challenges, with stories of hope. I would like to thank everyone who have supported us, financially and in all manner of other ways. We look forward working with more number of vulnerable children and community people and dancing to their needs for quality change.

**Jambeswar Biswal**  
Secretary, YK-LIBRA

- 1- Formation of Farmer Club
- 2- Rain water harvesting management
- 3- Climate resilient agriculture
- 4- Organic farming

- **Disaster Management**
- **Governance and Institutional Building Services (FPO, SHG, SHG Cluster)**

- 1- Office Management
- 2- Business Management
- 3- Compliances
- 4- Market linkages
- 5- Accounting
- 6- Audit

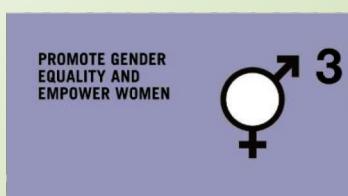

- **Social Awareness**

- 1- Alcohol free village
- 2- Swachha Bharat Abhiyan
- 3- Gender Equality

## Aligning with

**SUSTAINABLE  
DEVELOPMENT  
GOALS**

# Highlight of the thematic

## 1- Livelihood and Advocacy

Through various need-based program YK-LIBRA has focused to ensure proper implementation of developmental work, strengthening demand side and addressing the information gap. It has also addressed the livelihood part by adopting many strategies for livelihood sustainability for vulnerable people through various program with judicious support of **NABARD, BKSL, SFAC, NAFED and other agencies.** In livelihood activities, organization has reached **3 States, 7 Districts, 35 Blocks, 280 villages, covering 10,000 Households.** But the advocacy efforts covered wider geography during this year. The advocacy efforts of YK-LIBRA have been spread throughout the states through initiating policy discourse around the issues on tribal livelihood. In this project period, significant achievements were marked on advocacy expediting.

## 2- Entrepreneurship Development

With support of **NABARD and ORMAS;** YK-LIBRA is taking an initiative to develop youth and women as an entrepreneur for their holistic development through various sustainable livelihood income generating activities like mushroom cultivation, goatery, stitching of bags and mask etc. The main purpose of the program is to strengthen women and make them sustainable.

In two states that of Odisha and Tripura covering 10 districts - 280 entrepreneurs have been capacitated

### **3- Child Rights and Women Empowerment**

Realizing the fact that when women and children issues will be rightly addressed then a positive holistic development will be seen. With support of Chief District Medical Officer, Dhenkanal, YK-LIBRA has done various need-based program and Vaccination Campaigns. It has made awareness among the children in school to maintain basic health and hygiene practice. Active initiative has been taken by YK LIBRA to aware the children on ill effect of child marriage and child labor.

In context to women empowerment, YK-LIBRA since its inception has promoted SHGs and facilitated various training, business plan development for women SHGs on vegetable cultivation, goat rearing and poultry. Various need-based program has also been commenced to turn them as a successful entrepreneur in various livelihood generating activities so that they can be socially and economically empowered.

### **4- Health and Education**

In order to bring growth and development among children, women and livestock; YK-LIBRA has been implementing various program in intervention villages with support from Directorate of Animal Husbandry and Veterinary Service; Fisheries and Animal Resources Department, Government of Odisha. To address the issue of behavioral changes and practice level among tribal communities, YK-LIBRA is working at ground level. YK-LIBRA is also implementing the "Participatory Communication with marginalized communities to improve the quality of life by using innovative communication training tools for effective communication practices.

Vaccination program through local resource persons, awareness among children about rights and entitlement and livestock health program are some highlighted activities commenced this year.

In Odisha covering 4 districts, 12 blocks and 36 villages; animal husbandry work has been successfully made.

## 5- Disaster Management

With the support of Odisha State Disaster Management Authority (OSDMA), Department of Revenue and Disaster Management in 55 villages of Beguniapada block of Ganjam district; disaster management program was initiated. The purpose of Village Disaster Management Plan is to provide opportunities for the local community to evaluate their own situation based on their own experiences initially. During the planning process, the local community have not only become part of creating plans and decisions, but also become a major player in its implementation. In this planning, the department has extended cooperation with respect to the orientation, financial resource allocation and instruction to Block staffs and PRI members in support of Village Disaster Management Plan preparation in the respective allotted villages. The community people have been empowered to prepare the VDMP based on their own hazard, vulnerability, risk, resource and capacity analysis, containing village profile supported by maps, emergency response and disaster risk reduction plans, listing out activities and pin pointing responsibility of the Village Disaster Management Committee (VDMC), Task Force Members and the community at normal times, before, during and after a disaster in order to save lives, livelihood and property and integrating it into the long term sustainable village developmental plan. All the activities in the emergency response plan have been so well planned, practiced, rehearsed and synchronized that these plans can take place simultaneously in minimizing loss of time and order.

## 6- Environment conservation

In three states and 10 districts active initiative has been taken by YK-LIBRA with judicious support of NABARD and Nehru Yuva Kendra Sangathan, Ministry of Youth Affairs & Sports, Govt of India.

The organization has addressed climate change effect and making the farmers adapt to the changes caused by global warming through climate resilient agriculture, organic farming, rain water harvesting and awareness through farmer clubs. The initiative of this program is to increase the income standard of the vulnerable community who are totally dependent on agriculture. Even a Farmer Club has been initiated where - an experienced group-based on agriculture teach farmers on various farm and non-farm activities by asking question and discussing their experiences. This club played a very important role in helping the farmers to adopt climate smart agriculture. This program has also contributed towards rehabilitating degraded land and changing them into productive form where harvesting runoff water retains moisture in the land and increased cropping intensity

## 7- Governance and Institutional Building Services (FPO, SHG, SHG Cluster)

This year initiative has been taken by the organization to strengthen the capacity of groups and make them organizationally and financially sustainable and empower them because they have the potential to raise awareness about issues affecting women and children and inculcate the habit of saving towards positive development in the community. Capacity building program has empowered 71 FPOs and 4 SHGs clusters with market linkages. In 7 states, 25 districts and 80 blocks and 670 villages; institutional building has been made covering 16,350 farmers.

## 8- Social Awareness

An initiative has been taken by the implementing team to create social awareness among the marginalized community and bridge the gap areas that existed in the community. The key aspect of this program is to make the community understand their grey areas that hinders development. This year organization has rigorously worked in Odisha to aware the community on the ill effect of consuming alcohol and its negative impact which derails social development. YK-LIBRA has also aware the community in West Bengal and Bihar on Swachha Bharat Abhijan. In Gender equality, the organization in full gear has tried to make the women access the rights and opportunities that is there for them without fear in Odisha, West Bengal, Tripura and Nagaland. The intervening team have also lent their supporting hand to more than 5,000 community people to access resource and opportunities regardless of gender.

# Success Stories from the field

**“Giving opportunity to change and grow the horizon of business”**

**Name of the FPCL – Kumarghat Farmers Producer Company Limited**

**State – Tripura**

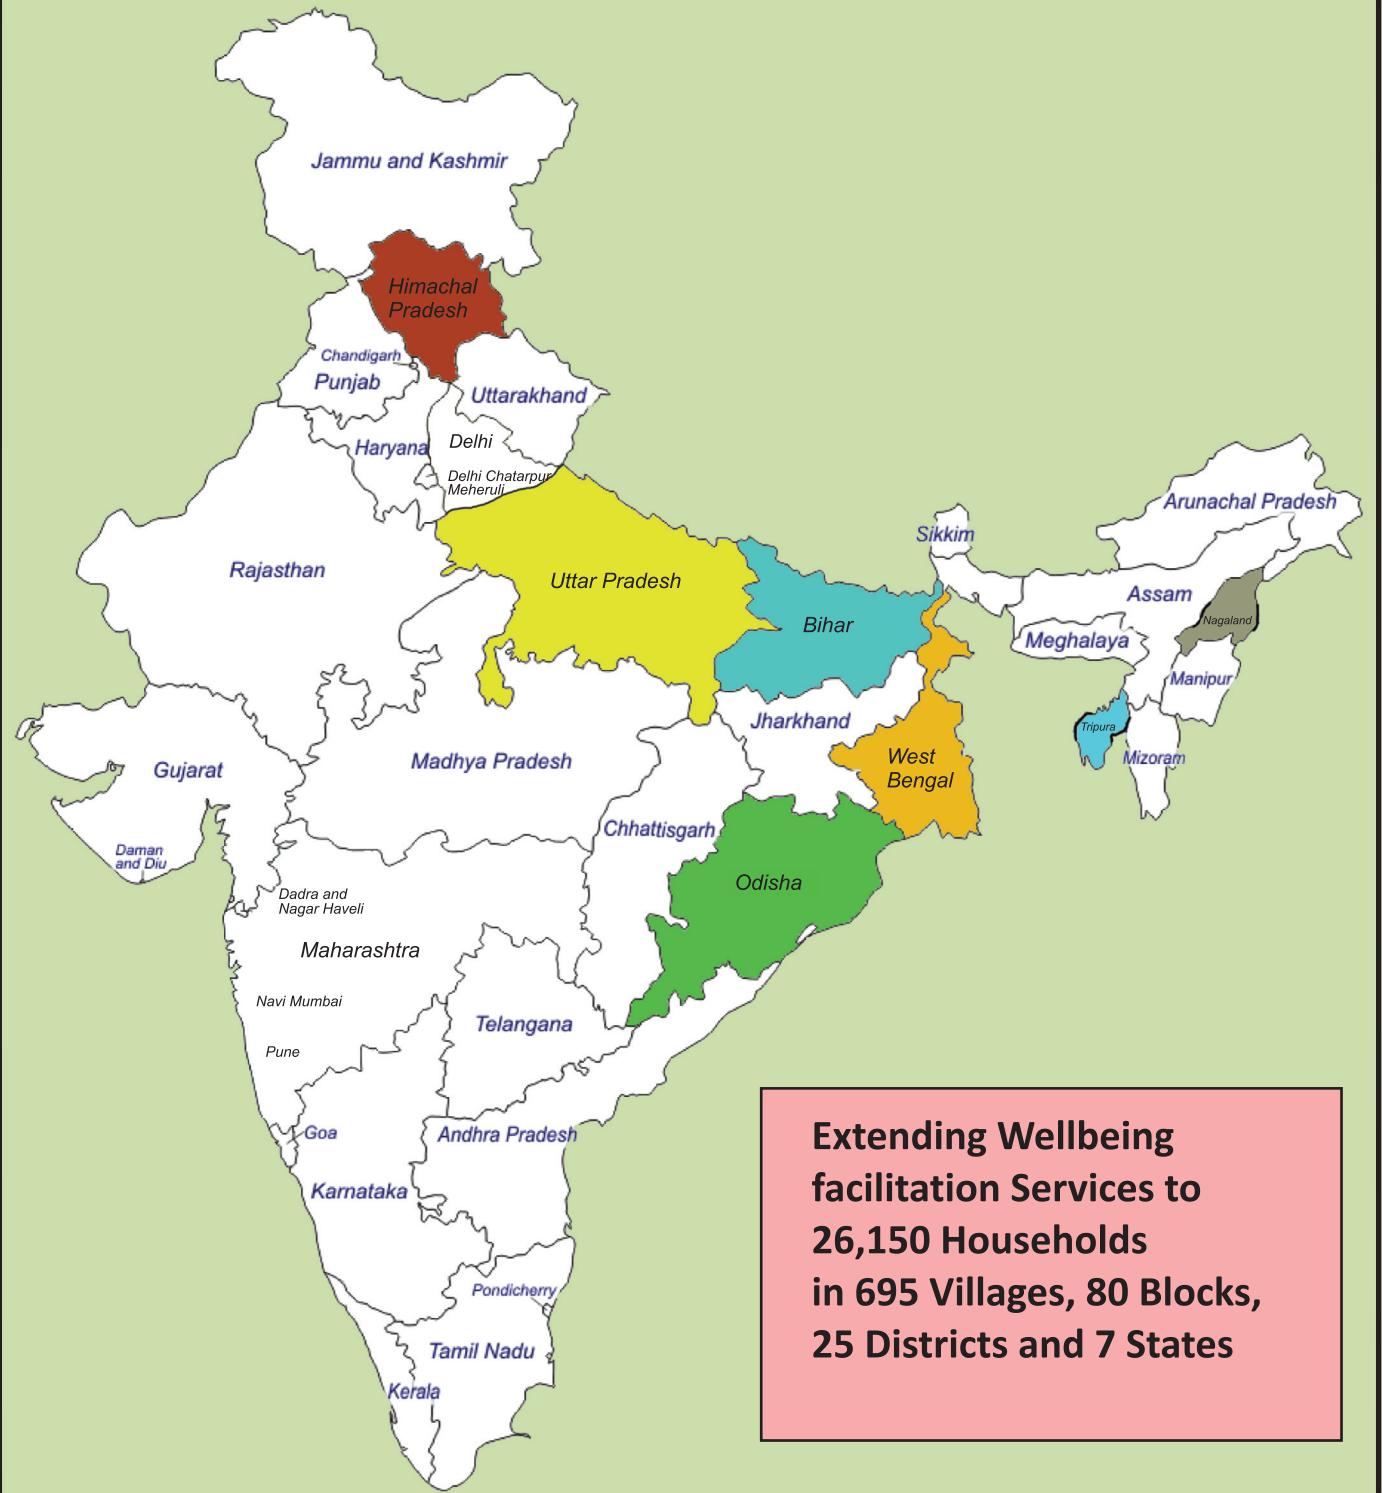

**District – Unakoti**

This is an inspiring story of a Farmer Producer Organization (FPO) located in the state of Tripura who has not only imagined to broaden their boundaries but with judicious effort have achieved it.

Kumarghat Farmers Producer Company Limited is a group of 305 number of people who are skilled and well known for their quality products in their community. But due to lack of brand packaging and visual representation; the company's value and identity could hardly influence the customer perception to purchase the finished products. In time interval - with the handholding support from YK-LIBRA, the company has not only acquired the branding and packaging skill but also connected with the digital application platform like ONDC who has enabled more than 2,500 FPOs to sell products. This forum has enabled the company to enhance and extend their market opportunities and value addition that stimulates development and reduces poverty.

Now the company with acquired technical knowledge is doing online business of their finished goods like Moringa powder, aromatic rice, local spices etc and have crossed the village boundary. Being the people of interior villages with limited knowledge, this company sets an example that with strong determination to follow the dream with joining hand will make the unachievable thing achievable and Kumarghat Farmers Producer Company is the perfect example to prove this.
